North Lanarkshire Joint Integration Board

Guide to Information

Health and Social Care North Lanarkshire
Introduction

Individuals can ask the Joint Integration Board (JIB) to provide any information that we hold and, if it is legal to do so and practical to do so, we will. In addition, the Freedom of Information (Scotland) Act 2002 (the Act) requires all Scottish public authorities to produce and maintain a Guide to Information, also known as a publication scheme.

Guide to Information

The purpose of this guide to information is to:

- allow the public to see what information is available and what is not available in relation to each class;
- state what charges may be applied (for most information, there is no charge);
- explain how to find the information easily;
- provide contact details for enquiries and to get help with access to the information; and
- explain how to request information that has not been published.

The Guidance is split into the following six sections:

- availability and formats;
- exempt information;
- copyright and re-use;
- charges;
- contact details; and
- the classes of information that we publish.

Availability and formats

Much of the information will be available on our webpage. We offer alternative arrangements for people who do not wish to, or who cannot, access the information either online or by inspection at our premises. For example, we can usually arrange to send out information in paper copy (although there may be a charge for this).

Exempt information

We will publish the information we hold that falls within the classes of information below. If a document contains information that is exempt under Scotland’s freedom of information laws (for example sensitive personal data or a trade secret), we will remove or black out the information before publication and explain why.

Copyright and re-use

Where the JIB holds the copyright in its published information, the information (except logos) may be copied, reproduced and/or re-used without formal permission
subject to your acceptance of the Open Government Licence (version 1) for public sector information. This allows use and re-use of information freely and flexibly with only a few conditions, such as:

- it is copied or reproduced accurately;
- it is not used in a misleading context; and
- the source of the material is identified.

By using and/or re-using information in which the JIB holds the copyright, you accept the terms and conditions of the Open Government Licence. Where the JIB does not hold the copyright in information we publish, we will make this clear. Where there is any third-party copyright information, you will need to obtain permission from the copyright holders to use and/or re-use the information.

**Charges**

This section explains when we may make a charge for our publications and how that charge will be calculated.

There is no charge to view information on our website, at our premises (except where there is a statutory fee, for example to access registers), or where it can be sent electronically by email.

**Reproduction Costs**

We may charge you for providing information to you, for example photocopying and postage, but we will charge you no more than it actually costs us to do so. We will always tell you what the cost is before providing the information to you.

Our photocopying charges per sheet of paper are shown in the table below:

<table>
<thead>
<tr>
<th>Size of paper/alternative format</th>
<th>Black and White pence per sheet</th>
<th>Colour pence per sheet</th>
</tr>
</thead>
<tbody>
<tr>
<td>A4</td>
<td>10p</td>
<td>20p</td>
</tr>
<tr>
<td>A3</td>
<td>20p</td>
<td>40p</td>
</tr>
</tbody>
</table>

Information provided on CD-ROM will be charged at £1.00 per computer disc.

We will recharge postage costs at the rate we paid to send the information to you. Our charge is based on sending information by Royal Mail First Class.

**General Freedom of Information requests**

There will be no charge for information requests which cost us £100 or less to process.

Where information costs between £100 and £600 to provide you may be asked to pay 10% of the costs. That is, if you were to ask for information that costs us £600 to
provide, you may be asked to pay £50, that calculated on the basis of a waiver for the first £100 and 10% of the remaining £500.

We are not obliged to respond to requests which will cost us over £600 to process.

Details of any individual charges which differ from the above charging policy are provided within our “Classes of information” Section.

The Classes of Information
